

# Love Remains The Same

Gavin Rossdale

A thousand times I've seen you standing  
Gravity like a lunar landing  
Make me want to run till I find you  
I shut the world away from here  
Drift to you, you're all I hear  
Everything we know fades to black

Half the time the world is ending  
Truth is I am done pretending

I never thought that I had anymore to give  
Pushing me so far  
Here I am without you  
Drink to all that we have lost  
Mistakes we have made  
Everything will change  
But love remains the same

Find the place where we escape  
Take you with me for a space  
The city buzz, sounds just like a fridge  
I walk the streets through seven bars  
I had to find just where you are  
The faces seems to blur, they're all the same

Half the time the world is ending  
Truth is I am done pretending

I never thought that I had anymore to give  
Pushing me so far  
Here I am without you  
Drink to all that we have lost  
Mistakes we have made  
Everything will change  
But love remains the same

So much more to say  
So much to be done  
Don't you trick me out  
We shall overcome  
So all have stayed in place  
We should have had the sun  
Could have been inside  
Instead we're over here

Half the time the world is ending  
Truth is I am done pretending  
Too much time, too long defending  
You and I are done pretending

I never thought that I had anymore to give  
Pushing me so far  
Here I am without you  
Drink to all that we have lost  
Mistakes we have made  
Everything will change  
Everything will change

I, oh I, I  
wish this could last forever  
I, oh I, I  
As if we could last forever

Love remains the same  
Love remains the same
