

Skin I'm In

Gavin Rossdale

There may be rocks in the water
Still the roof longs
When this sea gets so rough
Bring it all back home
You give me reason to beat it
Reason to make it through
There's beauty in all kinds of danger
But none so beautiful as you

I will make you come again
To the house on the hill
Where we first began
And this
Is the skin
I'm in
This is the skin I'm in

There may be permanent detractors
Some I used to know
There may be eminent danger
Road blocks with avalanche snow
You give me reason to be better
You give me something new
You give hope and you give yourself
What more can you do

And I will make you come again
To the house on the hill
Where we first began
And this
(This is the skin)
Is the skin
(This is the skin)
I'm in
(This is the skin)
This is the skin I'm in

Mornings still loves you automatic
Carries you away
Further
Further down

I will make you come again
To the house on the hill
Where we first began
I won't see you again
Woman I'm already missing you
We have everything to lose

And this
(This is the skin)
Is the skin
(This is the skin)
I'm in
(This is the skin)
This is the skin I'm in
This is the skin I'm in

(This is the skin)
This is the skin I'm in
(This is the skin)
This is the skin I'm in
(This is the skin)

Morning still loves you automatic
This is the skin I'm in
(This is the skin)
This is the skin I'm in
(This is the skin)
This
Is the skin
That I'm in
