Geddy Lee

Nothing blooms in a loveless room You've got to want it, you've got to want it Who's the fool where apathy rules You've got to want it, you've got to want it

If you don't want it, it remains the same
It's a heart of darkness that wants to play that game
If there's no defiance it remains insane
If it's all compliance, it's a runaway train

Nothing so cruel where malevolence rules You've got to want it, you've got to want it There is no defense against pointed arrogance You've got to want it, you've got to want it

If you don't want it, it remains the same
It's a heart of darkness that wants to play that game
It can be surprising when you lose the shame
And the sun starts rising, another day to tame

If you're heart is aching, just remove the shame You've got to want it, give your soul a shaking And refuse the blame, you've got to want it Who's the fool, where apathy rules? You've got to want it, you've got to want it

If you don't want it, it remains the same
It's a heart of darkness, that wants to play that game
If there's no defiance it remains insane
If it's all compliance, it's a runaway train
It's a runaway train
