

Take Me out to the Ball Game

Gene Kelly

Take me out to the ball game
Take me out with the crowd
Buy me some peanuts and crackerjack
I don't care if I never get back

Oh then root, root, root, for the home team
If they don't win, it's a shame
For it's one, two, three strikes you're out
At the old ball game

Mr. Kelly loves baseball games
Why, I know all the players
I know all the names
I was raised with a baseball Pamela
Fancy that, fancy that
Do you know a man named Dimaggio
Well I know him so well that I call him Joe
Well this is really grand, uh huh
Listen to the fans

Get your red hots here, get your red hots
Peanuts

Here we are at the ball game
I don't believe it's center plate
Here we are with the crowd
Oh I can sit here everyday
I'll get some peanuts
How about some crackerjack
We don't care if we never get back
If we never get back
Oh root, root, root for the home
I love their uniforms
And if they don't win, it's a shame
For it's one, two, three, strikes you're out
At the old ball game
