

Tra La La

Gene Kelly

Tra la la la la la la
Tra la la la la

(Spoken)
One's company, two's a crowd, get it?

(Song)
La la la la la la la la
La la la la la
La la la la la la la la
La la la la la la

This time it's really love
Tra la la la la
I'm in that blue above
Tra la la la la
She fills me full of joy
Tell me, papa
Am I not a lucky boy?
Tra la la la la la

Just listen to my heart
Go pitter-pat
It started from the start
I fell like that
Hum it, strum it, sing it, drum it
What a thrill I'm getting from it
Tra la la la la la la

This time it's really love
Tra la la la la

To me your full of
Blah blah blah

I've got la grande amour
Dite-moi, papa

Cherchez la femme toujours
Ooh, la la la la la
Oui!

She's got that everything

Is there a dowry?

She's like a breath of spring

Oh wow, you'll be sour-y

Hum it, strum it, sing it, drum it

Nothing good can happen from it

Tra la la la la la la la la

(dance break)

Rah rah, sis boom bah
Swing your partner with a tra la la

(dance break)

Hum it!

Hum it!

Strum it!

Strum it!

Sing it!

Sing it!

Drum it!

Drum it!

What a thrill I'm getting from it
Tra la la la la la la!
