

# One Has My Name (The Other Has My Heart)

Gene Pitney

(One has my heart, the other has my name)

One has my name, the other has my heart  
With one I'll remain, that's how my heartaches start  
One has brown eyes, the other's eyes are blue  
To one I am tied, to the other I am true.

One has my love, the other's only me  
But what good is love to a heart that can't be free?  
So I'll go on livin' my life just the same  
Still one has my heart, the other has my name.

(So I'll go on livin' my life just the same)  
(Still one has my heart, the other has my name)

If I could live over, my life I would change  
The one who has my heart would also have my name...
