

She Lets Her Hair Down (Early In The Morning)

Gene Pitney

She walks barefoot through the meadow early in the mornin'
Early in the mornin' ev'ry day
And she wakes up the sleepin' flowers early in the mornin'
Early in the mornin' on the way

And she lets her hair down when the sun comes up
Yes, she lets her hair down
And the morning glows bright with a newborn light
Yes, the morning glows bright

She goes walkin' past my window early in the mornin'
Early in the mornin' on the way
Some day I'll reach out and touch her early in the mornin'
Early in the mornin' one fine day

And I'll give her my love till the day I die
Yes, I'll give her my love
And the morning glows bright with a newborn light
Yes, the morning glows bright

She walks barefoot through the meadow early in the mornin'
Early in the mornin' ev'ry day

And the morning glows bright with a newborn light
Yes, the morning glows bright

And I'll give her my love till the day I die
Yes, I'll give her my love

And she lets her hair down when the sun comes up
Yes, she lets her hair down

And she lets her hair down when the sun comes up
Yes, she lets her hair down
