This time I'll try to get it right  
Just give me one more chance tonight, oh yeah  
I'm tryin' hard to please you, would you believe me if I tell y

Baby won't you try, just one more chance tonight

Mr. Make Believe, Mr. Make Believe, let me live inside you, ple

And when you tell me what you'd like, oh yeah (oh yeah)  
You'll know you'll never have to fight, whoa no

I'm tryin' hard to please you, would you believe me if I tell y  
ou  
Baby won't you try, just one more chance tonight, one more chan  
ce tonight

I'm tryin' hard to please you, would you believe me if I tell y  
ou  
Baby won't you try, just one more chance tonight, one more chan  
ce tonight
