

Sweet & Dirty Love

Gene Simmons

As I'm walkin' 'round one street corner
I turn to see you coming my way
I'm on fire

I look up, I see your eyes a-burning
They're burning right through my head
You're looking so good, wooh

If I'm built for speed, you're built for love, ow
You're too much of a good thing, but It's much too good
My sweet and dirty love

You talk to me but just the same
You brought me back to life again

If I'm built for speed, you're built for love
You're too much of a good thing but it's much too good
My sweet and dirty love

I can't control myself
I'm about to lose my head
Can't get enough sweet, dirty love

And this heart of mine
Wants you all the time
This ain't no fairytale
Can't get enough my sweet, dirty love
Ow
