

Viva Blunt Force Trauma

General Surgery

Deformed facial features
Cranial wounds abound
Abrasions and incisions
Bruises and severe contusions

The finer things in life and death
Viva! blunt force trauma

Crushed, smashed and ruined
Structurally redefined
Mangled, battered and beaten
The hilarity still abides

Fundamental gore
Viva! blunt force trauma

Excessive bodily harm
Shattered and protruding bone
The miracle of extreme force
in conjuncture with human forms
