

Broadway Melody Of 1974

Genesis

Echoes of the broadway everglades,
With her mythical madonnas still walking in their shades:
Lenny bruce, declares a truce and plays his other hand.
Marshall mcluhan, casual viewin', head buried in the sand.
Sirens on the rooftops wailing, but there's no ship sailing.
Groucho, with his movies trailing, stands alone with his punchl
ine
Failing.

Klu klux klan serve hot soul food and the band plays 'in the mo
od'
The cheerleader waves her cyanide wand, there's a smell of
Peach blossom and bitter almonde.
Caryl chessman sniffs the air and leads the parade, he knows
In a scent, you can bottle all you made.
There's howard hughes in blue suede shoes, smiling at the
Majorettes smoking winston cigarettes.
And as the song and dance begins, the children play at home
With needles; needles and pins.
