

# Vampire Lover

Genitorturers

Just one kiss from me Is all you need Just one taste to change  
your life For everything You hoped and dreamed My blood lust ca  
use will take your life

Some day You won't be so afraid To stay Inside You won't be so  
afraid To cover-dark your hole Forever

My be my be my My little lover My me my me my My little lover Y  
eah

So close your eyes Worlds away Goodnight kiss You never miss a  
light Drained of your fear It draws us nearer Blood lust wakes  
Gonna take the night

You're dying Slowly Solely For me (yaya) You're lying Lonely Yo  
ur soul is For me

You know, you're My be my be my My little lover My be my be my  
My little lover Yeah

Crawl with me Crawl with me Be my My little lover

Crawl with me Crawl with me Be my My little lover, yeah

[Groaning]

My be my be my My little lover My be my be my My little lover

Crawl with me Hey

Crawl with me Yea..

You know you're My me my me my My little lover You're dying Slo  
wly Stole your soul away
