

Caan Hold Us Down

Gentleman

Intro:

Daddy Rings: This on is real, yo, a Daddy Rings Gentleman and Barrington Levy

Gentleman: Babylon a watch we round the clock, wondering when we gonna launch and attack

R:

No powers gonna hold us down
Not even dem peagon sound
No powers gonna hold us down
You'll never see we wearing a frown
(repeat)

Gentleman: I've been chanting Jah powers from morning
Truths and rights I man keep performing
I hear the babylon bell how it alarming
Dem see a righteous ghetto youth and ready fi swarm him
Daddy Rings: Dem shoulda overstand the power wha Jah storm bringing
When it blow the whole a dem hafi go calm king
Long time we did a issue 'bout the warning
We ago hold lucifer and disarm him
Barrington Levy: I know Jah will always be there
And I know he is everywhere
Without Jah where would I be
And he is the one for me

R:

Daddy Rings: Dem think we fool but we tell dem seh not
Caan make no wulf come invate the flag
Nuh get caught ina no buubie trap
I and I royal natty dreadlock
Barrington Levy: We as the sun shine and the wind bow
That's how I know that's how I know
I take a look through my window
That's how I know that's how I know
Gentleman: I you nuh know the truth yourself you are decieving
Trumpet a sound and I man is leaving
Higher ground that is where I am going
Too bless to stress can't stop me from growing

R:
