I see dem standing at dens border  
While the struggle is getting harder  
Keep on praying to the father

Everything you try in a your life  
Dem want to stop you  
I don t know why but they think they got to  
Hold on strong and never let dem flop you  
Never let the wicked heart a trap you -  
Oh no no no (repeat)

I'm on the move ya know  
Must make it true somehow  
I got to take it to the top and that's my only vow  
And when the heathen range  
To me it s nothing strange  
You've been trying it so long but still me nuh go change  
I tell the youths to pray  
Strive for a better days strive for a better way - strive  
One day you'll get your pay  
No matter what dem say  
Cause you got to stay alive

I don t know why but they think they got to  
Hold on strong and never let dem flop you  
Never let the wicked heart a trap you -

Jah jah say throw down your arms and come  
Put away your gun  
The righteous nuh promote none  
It's time to have some fun  
Where you ago run run when the creator come  
Now me know what you're about  
Don't try to get me out  
Cause a god alone make the sunshine  
Unleash deception from your mouth  
Or your fire a go out  
Fix up your conscience nuh bad mind
