

# Intoxication

## Gentleman

Yes empress devine  
Anytime me look ina your face  
You make my world a brighter place  
And your majesty and grace  
A help me through the rat race  
Joy ina your eyes me nuh see no tears  
Love is what you giving me throughout the years  
Every time you need me i will be there my dear i swear  
There is no faking no heartbreaking  
Like a volcano this ya true love is shaking ya  
In tender caring we are partaking  
Woman me feel seh big things ina the making, yea  
Intoxication of a certain kind, oh  
I will admit that you suit my mind  
Pulpitation of another kind  
Don't fast forward baby just rewind  
Chorus:  
Joy ina your eyes me nuh see no tears  
Love is what you giving me throughout the years  
Every time you need me i will be there my dear i swear  
Love ina your eyes me nuh see no tears  
Joy is what you giving me throughout the years  
Every time you need me i will be there my dear  
I say  
No mistaking in every thing you do,  
And i will always be a part of you,  
Jah jah made us and he will see us through  
Always and forever babygirl this love is true  
I've been searching for the longest time  
Almost givin' up never thought I would find  
Seen many roses die on the vine  
But a hidden tressure in you i man find  
Chorus..  
On the magic carpet we a ride  
Venus jupiter to the other side  
Fi we togetherness nuh need no guide  
There is nothing to be shame nothing fi go hide  
A whole new world awaits  
Brighter than the pearly gates  
Where love is as strong as fate  
And life is about to give and to take  
Chorus..  
There is no faking no heartbreaking  
Like a volcano this ya true love is shaking ya  
In tender caring we are partaking  
Woman me feel seh big things ina the making, yea  
Intoxication of a certain kind, oh  
I will admit that you suit my mind  
Pulpitation of another kind  
Don't fast forward baby just rewind, yea  
Chorus..
