

Follow You

Matthew 10:38-39/Psalm 23

And when the daylight dies
You'll still be there when I close my eyes
And I'll follow, follow You
I walk into the midnight blue
You light a torch and it cuts right through
And I'll follow, follow You
I see You on the boulevard like a movie star on the cover
And my heart beats like a drummer

Chorus

If I lose my way tonight
I know it's gonna be alright
'Cause I'll follow, follow You
I'll follow You

If I ever fall behind
You'll be right there to show me a sign
I can follow, follow You
If you go away that's where I'll be
A world without You is no place, no place for me
I'm gonna follow You
When I think of You and the things You say
What You choose to keep and what You throw away
I hear Your voice and I won't be afraid

Chorus

They say that I'm a fool to put my trust in You
But don't you know my faith is all I have
I think of You and the things You say
What You choose to keep and what You throw away
I hear Your voice and I am not afraid

Repeat Chorus
