

Beautiful Rose

George Baker Selection

As you're the dancing queen
silver dream
To see you walking in tight
blue jeans my oh my
It's something out of space
To see your shining hair
deep blue eyes
Lord it almost makes me cry
Come on girl
so you can hear me sing
Oh you're a beautiful rose in the morning
Oh you're a beautiful flower in spring
I said oh
you're a beautiful rose in the morning
I wanna pick you baby to give you everything

I play my own guitar just for you
So tell me what else can I do
To make you mine and love you all night long
Come on and hold me tight make it right
And we make love till the morning light
Together we can make this life a song
I said oh
you're a beautiful rose in the morning
