

# Apple Scruffs

George Harrison

Now I've watched you sitting there  
Seen the passers-by all stare  
Like you have no place to go  
But there's so much they don't know about apple scruffs

You've been stood around for years  
Seen my smiles and touched my tears  
How it's been a long, long time  
And how you've been on my mind, my apple scruffs

Apple scruffs, apple scruffs  
How I love you, how I love you

In the fog and in the rain  
Through the pleasures and the pain  
On the step outside you stand  
With your flowers in your hand, my apple scruffs

While the years they come and go  
Now, your love must surely show me  
That beyond all time and space  
Were together face to face, my apple scruffs

Apple scruffs, apple scruffs  
How I love you, how I love you
