## **Not Guilty**

## **George Harrison**

Not guilty For getting in your way While youre trying to steal the day Not guilty And Im not here for the rest Im not trying to steal your vest. I am not trying to be smart I only want what I can get Im really sorry for your ageing head But like you heard me said Not guilty. Not guilty For being on your street Getting underneath your feet Not quilty No use handing me a writ While Im trying to do my bit. I dont expect to take your heart . . . I only want what I can get Im really sorry that youre underfed . . . But like you heard me said . . . Not guilty. Not guilty For looking like a freak Making friends with every sikh Not quilty For leading you astray On the road to mandalay. I wont upset the apple cart I only want what I can get Im really sorry that youve been misled . . .

But like you heard me said . . .

Not guilty.
