San Antonio Rose

George Jones

Deep within my heart lies a melody A song of old San Antone Where in dreams I live with a memory Beneath the stars all alone.

It was there I found beside the Alamo Enchantment strange as the blue, up above A moonlit path that only she would know Still hears my broken song of love.

Moon in all your splendor knows only my heart Call back my Rose, Rose of San Antone Lips so sweet and tender like petals fallin' apart Speak once again of my love, my own.

Broken song, empty words I know Still live in my heart all alone For that moonlit pass by the Alamo And Rose, my Rose of San Antone.

Moon in all your splendor knows only my heart Call back my Rose, Rose of San Antone Lips so sweet and tender like petals fallin' apart Speak once again of my love, my own.

Broken song, empty words I know Still live in my heart all alone For that moonlit pass by the Alamo And Rose, my Rose of San Antone...
