

You're Gonna Change (Or I'm Gonna Leave)

George Jones

Well you wore out a brand new trunk packin' and unpackin' your
junk
Your daddy's mad he's done got peeved you're gonna change or I'
m a gonna leave
You're gonna change your way of livin' change the things you do
Stop doin' all the things that you oughtn't to
Your daddy's mad he's done got peeved you're gonna change or I'
m a gonna leave

Well now this ain't right that is wrong you just keep nuggin' m
e all the day long
It's gotta stop I don't mean please you're gonna change or I'm
a gonna leave
The way they keep a lover happy make her do what's right
It's love her every morning love her out at night
Your daddy's mad he's done got peeved you're gonna change or I'
m a gonna leave

Well now every time you get mad you pack your rags and you go b
ack to dad
You tell him lies he don't believe you're gonna change or I'm a
gonna leave
You're gonna change your way of livin'...
