Marche De Sacco Et Vanzetti

Georges Moustaki

The biggest lie you ever told

Your deepest fear 'bout growin' old

The longest night you ever spent

The angriest letter you never sent

The boy you swore you'd never leave

The one you kissed on new years eve

The sweetest dream you had last night

Your darkest hour, your hardest fight

I wanna know you
Like I know myself
I'm waitin' for you
There ain't no one else

Talk to me baby

Scream and shout

I wanna know you

Inside out

I wanna dig down deep

I wanna lose some sleep

I wanna scream and shout

I wanna know you inside out

I wanna take my time

I wanna know your mind

You know there ain't no doubt

I wanna know you inside out

The saddest song you ever heard

The most you said with just one word

The loneliest prayer you ever prayed

The truest vow you ever made

What makes you laugh, what makes you cry?
What makes you mad, what gets you by?
Your highest hight, your lowest low
These things I wanna know

I wanna know you
Like I know myself yeah
I'm waitin' for you
There ain't no one else

Talk to me baby

Scream and shout

I wanna know you

Oh inside out

I wanna dig down deep

I wanna lose some sleep

I wanna scream and shout

I wanna know you inside out

I wanna take my time

I wanna know your mind

You know there ain't no doubt

I wanna know you inside out

- I wanna know your soul
- I wanna lose control
- C'mon n' let it out
- I wanna know you inside out
- I wanna dig down deep
- I wanna lose some sleep
- I wanna scream and shout
- I wanna know you inside out
- Yeah, I wanna know you inside out
- I wanna know you inside out
- Tell me everything baby
- Yeah, I wanna know you inside out
- Tell me everything, baby
- Yeah, I wanna know you inside out
- Yeah, I wanna know you inside out
- Tell me everything
- I wanna know you inside out
