

Side By Side

Georgie Fame

Oh we ain't got a barrel of money
Maybe we're ragged and funny
But we'll travel along, singin' our song, side by side

Don't know what's comin' tomorrow
Maybe it's trouble and sorrow
Well we'll travel the road, sharin' our load, side by side

Through all kinds of weather, weather
What if the sky should fall, oh it'd love to fall
Just as long as we're together, together... hic
It doesn't matter at all

When they've all had their quarrels and parted
We'll be the same as we started
Just a travelin' along, singin' our song
Side by side

Through all kinds of weather, weather
What if the sky should fall, oh let it fall
Just as long as we're together, me and you... hic
It doesn't matter at all

When they've all had their quarrels and parted
We'll be the same as we started
Just a travelin' along, singin' our song
Side by side
Side... by... side.
