

You Oughta Be With Me

Gerald Levert

How come you look so sad? You got me feeling bad
'Cause I know that I can make you happy
Yes girl, I might don't do, I don't want to see you blue
But you won't give me a chance

The guys that you hang around
Just try to bring you down and I don't like it at all
Girl, give my love a try I'll keep you satisfied
I promise you

Girl, I adore you, do anything for you
You oughta be with me
Girl, I need you, I'll try my best to please you
You oughta be with me

When you come home at night
I'll make you feel so right
See this is what I'll do
I'll run your bubble bath

Massage you with these big strong hands
Wouldn't you like that baby?
Oh, kiss you from head to toe
Because I want you so

I'm telling you the truth baby
And after all of the above
We'll make real serious love
Can't you see? You wanna be with me baby

Girl, I adore you, do anything for you
You oughta be with me
Girl, I need you, I'll try my best to please you
You oughta be with me

Girl, I adore you, do anything for you
You oughta be with me
Girl, I need you, I'll try my best to please you
You oughta be with me

Check this out
See nobody would do you like I will
I got a special kind of whip appeal
Kiss it, rub it, flip it over
Remember baby, I'm your Casanova

So forget the other brother he's nothing but a zero
And dial my number let me be a hero
Girl, Ray Charles and Stevie Wonder could tell
That really oughta, really you should, you oughta be with me

You oughta be with G
Can't you see, you oughta be with me
The G E R and the A L D, the L E V E R and the T
And you really oughta, you really oughta be with me

Girl, I adore you, do anything for you

You oughta be with me
Girl, I need you, I'll try my best to please you
You oughta be with me

Girl, I adore you, do anything for you
You oughta be with me
