1. I like chocolate and controversy, he likes Fridays and bad company.
I like midnight when I'm in the mood,
but he likes the morning, that's when he's rude.
Just a bad case of opposite sex, have to look to the stars.
All we need is a little respect,
'cause men are from Venus and girls are from Mars.

R: Bag it up, don't drop your baby.
Boot it up, no buts or maybe.
Wind him up, and make him crazy, oh oh oh oh.
Take him back, don't drop the baby.
Spin it out, no buts or maybe.
Do your thing, c'mon lady, oh oh oh oh, lady.

but then he keeps me waiting, I want him too soon.
Just a bad case of opposite sex, have to look to the stars.
All we need is a little respect,
'cause men are from Venus and girls are from Mars.

R: Bag it up, don't drop your baby...
