

Waiting For The Monster To Drown

Get Cape. Wear Cape. Fly

I just don't know what it was
And I don't know when it came
All albatross fighting like a buzz
Saw and calling my name
I just don't know what it was
And I don't know when it came
An albatross fighting like a buzz
Saw and calling my name
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
I don't know why I was scared
I've got the power of speech
And all the threats and the violence in the world
Couldn't make me impeach
I don't know why I was scared
I've got the power of speech
And all the threats and violence in the world
Couldn't make me impeach
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
Efface, efface, efface, efface
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot

Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
And we were waiting on the back foot
Waiting on the back foot
Waiting for the monster to drown
