You think you re on my ass girl but that ain tyou It sthe only thing that reminds me of you All fat and ugly and covered with zits When you open your mouth out comes shit

Assface honey that \(\Pi \) what you got Sisyphus baby you can suck my cock Assface (yeah!) that \(\Pi \) what i said In place of a face you gotta ass instead

Where you don to belong

Gonna find some rope that some good and strong

Gonna hang you from the highest tree

We wont take no shit you ll see

Assface honey that \square s what you got Sisyphus baby you can suck my cock Assface (yeah!) that \square s what i said In place of a face you gotta ass instead

I□ll get you back girl one way or another
Get away merle she ain□t got no brother
(unknown) - somebody said
Because your neck is turning red

Assface honey that \(\Pi \) what you got Sisyphus baby you can suck my cock Assface (yeah!) that \(\Pi \) s what i said In place of a face you gotta ass instead
