

It's Alright

Ghoti Hook

Your words are biting
As you keep trying
To bleed conviction
But tell me who are you
To rate on what I do?
Well I know what I got
And what I feel
I said
It's alright
It's alright
It's alright
You can knock me down
But I know that
It's alright
It's alright
It's alright
I feel you coming
Just to tell me
That I'm nothing
But I can't hear you
And you can't take me
Where I know
It's alright
It's alright

Your cause is your own
Disguised to condone
What you feel is your right
But who is backing you
To tell me what to do?

Well I know what I got
And what I feel
I said
It's alright
It's alright
It's alright
You can knock me down
But I know that
It's alright
It's alright
It's alright
I feel you coming
Just to tell me
That I'm nothing
But I can't hear you
And you can't take me
Where I know
It's alright
It's alright

Well I know what I got
And what I feel
I said
It's alright
It's alright
It's alright

You can knock me down
But I know that
It's alright
It's alright
It's alright
I feel you coming
Just to tell me
That I'm nothing
But I won't hear you
And you can't take me
Where I know
It's alright
It's alright
