

## 15 Times

Gilbert O'Sullivan

Move along, move along, move along  
Said the man with the uniform on  
Get away, get away, get away  
Said the goldfish to the whale  
Oh what have I done now  
And the goldfish replied you fool  
You're too big for me  
And I'm too yellow for you

Hurry up, hurry up, hurry up  
Said the greyhound to her pup  
What a life, what a life, what a life  
Said the husband to his wife  
Oh Where did we go wrong  
And the husband to put it crude  
Said you're no fun anymore  
And I'm fed up with -

-You and me and baby makes  
3, 4, 5, 6, 7  
8, 9, 10 and 11  
12, 13, 14, 15 times 44 is 660!

And again, and again, and again  
Said the masochist to his friend  
What a cheek, what a cheek, what a cheek  
Said the hen to the Portuguese  
Oh what have we done wrong  
And the hen replied you fools  
You're too many for me  
And I'm too chicken for -

-You and me and baby makes  
3, 4, 5, 6, 7  
8, 9, 10 and 11  
12, 13, 14, 15 times 44 is 660!
