

## This Riff

Gilbert O'Sullivan

This riff is gonna hurt you  
More than it hurts me  
This riff has been around  
Since I was [?]  
This riff, this riff  
This riff, this riff  
This riff

This riff will run you over  
Stop you in your tracks  
This riff will do whatever  
In what way [?]  
This riff, this riff  
This riff, this riff  
This riff

[?] like a bitter breeze  
That's not how it should be done  
What you gotta do is to hammer it out  
Under our [?]

This riff is sure to grab me  
Not only by the haunt  
This riff will turn a body  
Into [?]  
This riff, this riff  
This riff, this riff  
This riff

Played and I say like a [?]  
That's not how it should be done  
Let [?] fall as you're pounding it out  
Going for [?] a hammer and done

This riff will drive you crazy  
As crazy as it seems  
This riff will give you a headin'  
In whatever way you please  
This riff, this riff  
This riff, this riff  
This riff  
This riff, this riff  
This riff, this riff  
This riff, this riff  
This riff
