

Pawn Shop Guitars

Gilby Clarke

Well I saw my silver Mexico
Spend all my money in the saloon
^^ my loose
I'm alone, alone, alone
I'm alone, alone, alone

Well your mama says and cut like a knife
And you cut a little deeper found the devil inside
Now burn it
I'm so mean, so mean, so mean
I'm so mean, so mean, so mean

I'm a motorcycle cowboy
A honky-tonk junkie
For a shooting star
Drove to Desperado
The wrong side of the barrel
Best friend's a pawn shop guitar
My best friend's a pawn shop guitar

Well you're dirty down in ???
So I rip out your heart and then I start to eat
The power I need is suicide
I'm so blind, so blind, so blind
I'm so blind, so blind, so blind

I'm a motorcycle cowboy
A honky-tonk junkie
For a shooting star
Drove to Desperado
The wrong side of the barrel
Best friend's a pawn shop guitar
My best friend's a pawn shop guitar

I'm so mean, so mean, so mean
I'm so mean, so mean, so mean
I'm so mean, so mean, so mean
I'm so mean, so mean, so mean

I'm a motorcycle cowboy
A honky-tonk junkie
For a shooting star
Drove to Desperado
The wrong side of the barrel
I'm just a junkie
And I'm just a junkie
For your love
For your love
And I'm just a junkie
My best friend's a pawn shop guitar
And my best friend's a pawn shop guitar
