

Feels Like Me

Gin Wigmore

Step right in
Come on over again
I wanna feel brand new with you
The waters fine
Jump right in my friend
Make a memory that lasts for life

Every day's getting better
Keeps getting better
If we're in it together
In it together

Feels like you
Feels like me
Feels like everything is happening the way it should be
Feels like you
Feels like me
Sure is nice to see the world is smiling back at me

I've never been so comfortable in my skin
For the first time in my life
Make a wish
I've never felt so high on a magic carpet ride

Every day's getting better
Keeps getting better
If we're in it together
In it together

Feels like you
Feels like me
Feels like everything is happening the way it should be
Feels like you
Feels like me
Sure is nice to see the world is smiling back at me

Oh it feels bright
Oh it feels nice
Oh it feels right
This feels like
Oh it feels bright
Oh it feels nice
Oh it feels right
This feels like you

Feels like me
Feels like everything is happening the way it should be
Feels like you
Feels like me
Sure is nice to see the world is smiling back at me

Is smiling back at me

Smiling back at me
