

Hey Ho

Gin Wigmore

I hear you're leavin town
And I am feelin down
You should know that nothin' leaves my side

I'm gonna come around
I'm gonna shoot you down
You knocked my crown
Now you'll go six feet under ground

Your lies have broke my life
Say goodbye my angel
I gave you all my love
To sleep alone my angel

Hey ho nobody knows
You're not coming home
Hey ho nobody knows
You're not coming home

Don't you take me here (Don't you take me here)
Don't you touch me there (Touch me there)
I am diggin your grave
And you stay there

Can you see the light, (Can you see the light)
And think you're still alive? (Still alive)
Believe me baby
You won't come back again (You won't come back again)

Your lies have broke my life
Say goodbye my angel
I gave you all my love
To sleep alone my angel

Hey ho nobody knows
You're not coming home
Hey ho nobody knows
You're not coming home

It didn't have to be this way
Playing games and lost one day
Have mercy on my lonely soul
It wasn't me, it was you, you know

Your lies have broke my life
Say goodbye my angel
I gave you all my love
To sleep alone my angel
Your lies have broke my life
Say goodbye my angel

Hey ho nobody knows
You're not coming home
Hey ho nobody knows
You're not coming home
Hey ho nobody knows
You're not coming home

Hey ho nobody knows
You're not coming home
