

I Do

Gin Wigmore

Starlight, kicking around without you,
By my side, makes me feel alright
I start this day as new.
Until I wake up, find myself, and I'll break up
Today ain't gonna be great
But can we ride this through

You know I need you sometimes,
And I'll hold on to why,
No matter what my reasons are
I still do love you

I do, I do, I do, I do, I do,
I choose you, so why don't you choose me too?
It's no mistake, or a lonely day I want you

I can change, babe
My bitter, cold and dark days,
Are staying awake when I see you,
And your beautiful ways.
To be hollow, stop, go,
I don't know.
But if you're thinking 'bout leaving me no, no, no
We can get through it, just let us do it

You know I need you sometimes,
And I'll hold on to why,
No matter what my reasons are
I still do love you

And I do, I do, I do, I do, I do,
I choose you, so why don't you choose me too?
It's no mistake, or a lonely day I want you.
So why don't you want me too?
I do, I do, I do, I

I do, I do, I do, I do, I do,
I choose you, so why don't you choose me too?
It's no mistake, no,
It's no even a lonely day I want you.
So why don't you want me too?

I do, I do, I do, I do, I do.
I choo-choose you, I choose you
So why don't you choose me too?
It's no mistake, no
It's no even a lonely day I want you.
So why don't you want me too?
I do I do I do I do
