## The Evil Eye

## Gino Vannelli

Who's that a-knockin' at my door tonight? Leave me alone till there's morning light You live and learn, you make mistakes You can't imagine why The fire burns for heaven's sake Look out for the evil eye

Who was that damsel with that wicked stare? Get off my case and take your sins elsewhere You love and learn, you cross that bridge You want to pacify
The tables turn and you've dug your ditch Look out for the evil eye

Oh look out!
Oh look out!
I said look out!
I said look out!

You live and learn, you make mistakes You wonder how and why The fire burns for heaven's sake Look out for the evil eye

Oh look out!
Oh look out!
I said look out!
I said look out!
