

Bedda to Have Loved

Ginuwine

Oh girl I know,
It feels like you're alone,
But more have gone,
Through the same thing,
The pain I know,
It seems to much to bare,
Time heals wounds,
I know it don't seem fare

Girl I know your pain,
And it hurts so deep,
I've been there before,
But baby you will see
That we've all been hurt,
We had our falls,
Bedda to have loved,
Than not have loved at all

Oh girl I know,
In life things change a lot,
But you see that's life,
And that's what life's about,
But there's more fish in the sea,
You can bet your last dollar,
Please believe me,
I know you will go on.

Girl I know what you feeling deep inside,
It will all fade away,
Baby it will past you by

[Chorus 3X]
