

We've been talking on the phone
For so many nights together,
Telling me what you wanna do to me,
So baby what's up, yeah
Talking all that smack in my ear,
And what you gon' do to a player
But wait a minute ma,
Before we get into some kinky stuff
Wanna turn the lights off, come on over here
Take your clothes off, girl I wanna kiss all over your body,
Stick it to you like a bee to honey
I'll be your play toy, no lie,
We can do all the things that you like baby
Just bring your ass into this bedroom

All of your body on all of my body,
You and me mommy, making love on me
All of your body on all of my body,
You and me mommy, making love on me

Girl, the Playboy Channel ain't got nothing on us
I'ma go just where you want me too, with no fuss
And in case you're wonderin' what comes before that,
I'ma lick your neck, and your back baby, just like that
Do you want me to go there, we allowed there?
Let me taste that there, then pinky swear
As I kiss your body, stick it to you like a bee to honey
I'll be your play toy,
We can do all the things that you like, baby,
Just bring your ass into this bedroom

All of your body on all of my body,
You and me mommy, making love on me
All of your body on all of my body,
You and me mommy, making love on me

Put it on me, put it on me,
Like the glove on Michael's hand
A perfect fit when I'm sliding in
Put it on me, put it on me,
Over and over and over again

Put it on me, put it on me,
You gon' tell me what's coming next,
I'ma put you through the test.
Put it on me, put it on me
Got to put it on me!
Over and over and over again!
Oh yeah!

All of your body on all of my body,
You and me mommy, making love on me
All of your body on all of my body,
You and me mommy, making love on me
[repeat]
