

# Back for More

Girlschool

Dancing with danger  
Getting out of line  
'Cause I need a little more now  
Just to keep me, keep me satisfied

I'm back  
Back for more  
Yes, I'm back  
Back for more

Living on the outside  
Never looking in  
'Cause I'm always on the wrong side  
And it feels so very good to me

I'm back  
Back for more  
Yes, I'm back  
Back for more

Flying high all of the time  
Feels so right tonight  
Flying high all of my life  
This is my night tonight

I'm back  
Back for more  
Yes, I'm back  
Back for more

I'm back  
Back for more  
You know I'm back for more  
Yes, I'm back  
Back for more  
You know I'm back for more

Yeah  
Alright!  
And I'm here to stay
