Letter Full Of Tears  
Gladys Knight & The Pips

Mmmmm

Here comes the mailman walking up the street  
and it looks like he has a letter today for me  
Wait a minute let me look inside no it couldn't be from my guy  
because he he brought me, (yes he did)  
I said he he brought me, (yes he did)  
A letter full of tears  
I thought we had a love so strong (we had a love)  
it would take a lifetime to break us apart  
oh yes  
but I found out today I was wrong  
and my reward was a broken heart my my heart  
oh here comes the teardrops welcome a welcome to my eyes  
and I couldn't hold 'em back no matter if I tried  
wo wo oh  
You know it hurt me so inside  
won't you pardon me while I cry  
because he brought me (yes he did)  
I said he brought me (yes he did) a letter full of tears  
(here comes the mailman) Those aren't drip drop tears (bringin  
g me tears)  
Can't you see them falling (here comes the mailman bringing me  
tears) wo  
wo oh wo wo oh wo wo oh oh oh (hey, yes he did, hey hey , yes  
he did, hey  
hey hey woo  
yes he did)  
I thought (hey hey hey woo yes he did)  
we had a love so strong  
(hey hey hey woo, yes he did)
