Gladys Knight

Operator, are you sure  
That line is busy all this time  
Won't you please dial the number  
Operator, dial the number  
I've got to reach that baby of mine

I've got to tell him that I'm sorry  
For the things I've said  
Sorry as I can be  
So won't you please dial the number  
Operator, dial the number  
And see if you can get him to talk to me  
Oh

I wonder who he's talking to for so long  
I hope he hasn't found  
Found somebody new  
Oh won't you please cut it  
Because it's an emergency  
And tell my baby  
Tell my baby forgive me

I've got to tell him that I'm sorry  
For the things I've said  
Sorry as I can be  
So won't you please dial the number  
Operator, dial the number  
And see if you can get him to talk to me  
Oh

I've been waiting  
For your call so long  
Dial my telephone  
Just dial the number
