Malevolent Reign

Glamour of the Kill

As they fall to their knees
You know I will rule them all
They will follow me for the rest of their days
As they fall to their knees
You know I will rule them all
They will follow me for the rest of their days
Til the end

As they fall to their knees You know I will rule them all They will follow me for the rest of their days Til the end

Til the end

As they fall to their knees You know I will rule them all They will follow me for the rest of their days Til the end

As they fall to their knees You know I will rule them all They will follow me for the rest of their days Til the end
