

Welcome to Hell

Glamour of the Kill

I've been dreaming of this moment all my life
A living nightmare
It's all I've ever wanted
Somewhere that embraces me for who I really am
Welcome to hell

I don't mind the thought of hell, it just excites me
Every time I close my eyes it's all that I see
Consequences mean nothing to me
I knew when I died, there's no place that I'd rather be

Open your arms, 'cause we're all down here forever, forever (oh-woah-oh)
Come take my hand and I'll show you how to live (oh-woah-oh-oh-oh-oh-oh)
Open your arms, 'cause we're all down here forever, forever (oh-woah-oh)
Come take my hand and I'll show you how to live (oh-woah-oh-oh-oh)

Party time, and everyone down here's invited
Here you'll find everything you've always wanted
Go get the devil, the drinks are on me (this one's on me, mate!)
If hell is where the heart is then I'm here to stay
You'll see it's worth the sacrifice (believe me, I've seen it)
Of all that you believe in
Sell your soul to the antichrist
Welcome to hell (welcome to hell)

Open your arms, 'cause we're all down here forever, forever (oh-woah-oh)
Come take my hand and I'll show you how to live (oh-woah-oh-oh-oh-oh-oh)
Open your arms, 'cause we're all down here forever, forever (oh-woah-oh)
Come take my hand and I'll show you how to live (oh-woah-oh-oh)

Here I feel at home like no place I've ever known
No, I'd never lie to you, I'd never lie to you
Don't be afraid by the screams of the tortured
Thriving for pain like a flower needs the rain
I'm only gonna give you one more chance
So take my hand (so take my hand), and join me now, down in hell

You'll see it's worth the sacrifice (believe me, I've seen it)
Of all that you believe in
Sell your soul to the antichrist
Welcome to hell (welcome to hell)

Open your arms, 'cause we're all down here forever, forever (oh-woah-oh)
Come take my hand and I'll show you how to live (oh-woah-oh-oh-oh-oh-oh)
Open your arms, 'cause we're all down here forever, forever (oh-woah-oh)
Come take my hand and I'll show you how to live (oh-woah-oh-oh-oh)

[illegible]

Open your arms
Open your arms
