

Civilized won't be rewarded
No seconds of submission
One extreme to another
I need it like a hole in my head

Dead silent
Heaven sent
One step closer

Dead silent
Heaven sent
One step closer
Closer

One eye open
I can't help myself
It's bigger getting bigger
One extreme to another
It tears through the
Head in my hands

Dead silent
Heaven sent
One step closer

Dead silent
Heaven sent
One step closer
Closer

Dead silent
Heaven sent
One step closer

Dead silent
Heaven sent
One step closer
Closer
Closer
