Everybody Talks

Hey baby won't you look my way I can be your new addiction Hey baby what you gotta say? All you're giving me is fiction I'm a sorry sucker and this happens all the time I found out that everybody talks Everybody talks, everybody talks

It started with a whisper And that was when I kissed her And then she made my lips hurt I could hear the chit chat Take me to your love shack Mamas always gotta back track When everybody talks back

Hey honey you could be my drug You could be my new prescription Too much could be an overdose All this trash talk make me itchin Oh my my Everybody talks, everybody talks Everybody talks, too much

It started with a whisper And that was when I kissed her And then she made my lips hurt I could hear the chit chat Take me to your love shack Mamas always gotta back track When everybody talks back

Everybody talks Everybody talks Everybody talks Everybody talks Everybody talks Everybody talks...back
