Hey, over there, Please forgive me, If I'm comin' on too strong Hate to stare, But you're winnin', And they're playin' my favorite song So come here, Little closer, Wanna whisper in your ear, Make it clear, Little question, Wanna know just how you feel If I said my heart was beating loud, If we could escape the crowd somehow If I said I want your body now, Would you hold it against me? Cause you, Feel like paradise And I need a vacation tonight, So if I said I want your body now, Would you hold it against me? Hey, you might think, That I'm crazy, But you know I'm just your type I might be, Little hazy, But you just cannot deny There's a spark, In between us, When we're dancin on the floor, I want more, Want to see it, So I'm asking you tonight If I said my heart was beating loud, If we could escape the crowd somehow If I said I want your body now, Would you hold it against me? Cause you, Feel like paradise And I need a vacation tonight, So if I said I want your body now, Would you hold it against me? If I said I want your body... Would you hold it against me? Give me something good, Don't want to wait, I want it now Pop it like a hood,

And show me how you work it out

Alright.

(If I said my heart was beating loud)
(If I said I want your body now)
Would you hold it against me?

If I said my heart was beating loud, If we could escape the crowd somehow If I said I want your body now, Would you hold it against me?

Cause you,
Feel like paradise
And I need a vacation tonight,
So if I said I want your body now,
Would you hold it against me?
