

# Let's Wait Awhile

Glee Cast

There's something I want to tell you  
There's something I think that you should know  
It's not that I shouldn't really love you  
Let's take it slow  
When we get to know each other  
And we're both feeling much stronger  
Then let's try to talk it over  
Let's wait awhile longer

Let's wait awhile  
Before it's too late  
Let's wait awhile  
Before we go too far

Remember that special night  
When all of the stars were shining bright

But on that very first night  
It wasn't quite right

Let's wait awhile

Before it's too late

Let's wait awhile

Our love will be great

Let's wait awhile  
Before we go too far

I didn't never give up on you (Let's wait awhile)  
Awhile before it's too late

You know you can't rush love

(Ooh hoo hoo)  
Let's wait awhile  
(Ooh hoo hoo)  
Before it's too late  
(Let's wait awhile)  
Wait awhile  
(Our love will be great)  
Let's wait awhile  
(Wait awhile, ooh)  
Before we go too far  
(Oh, oh, ooh)

La da lee de da da de de de, da da da da la da  
La da lee de da da de de de, da da da da la da da  
La da lee de da da de de de  
Before we go too far

Let's wait awhile
