

# You Make Me Feel So Young

Glee Cast

You make me feel so young  
You make me feel like spring has sprung  
Every time I see you grin  
I'm such a happy individual

The moment that you speak  
I want to run and play hide-and-seek  
I want to go and bounce the moon  
Just like a toy balloon

You and I, we're just like a couple of tots  
Running around a meadow  
Picking up all those forget-me-nots

You make me feel so young

You make me feel there are songs to be sung

Bells to be rung and a wonderful fling to be flung

And even when I'm old and gray (When I'm old and gray)  
I'm gonna feel the way I (do today)  
Because

You make me feel so young

You make me young

You make me think that spring has sprung

Every time I see you grin  
I'm such a cuckoo individual

The moment that you speak  
I' like to run and play hide-and-seek  
I'd like to go and bounce at the moon  
Just like a big balloon

Because you and I  
We are just like a couple of tots  
Ooo! Running around a meadow  
Snatching up all those forget-me-nots

You make me young (You make me young)  
You make me feel there are songs to be sung

Lots of bells to be rung  
And a wonderful fling to be flung

And even when I'm old and gray  
I'm gonna feel the way I do today  
(Because) you make me feel so  
Man, I just feel so  
You make feel so young  
So young
