What I Wouldn't Give

Glen Campbell

```
What I wouldn't give to make you stronger
What I wouldn't give to see you smile again
What I wouldn't give to erase the fear in your eyes
What I wouldn't give to see you smile
Just close your eyes
Just close your eyes please

I'll see you again
Just close your eyes
I'll see you again
What I wouldn't give to make you stronger
What I wouldn't give to see you smile again
What I wouldn't give to erase the fear in your eyes
I'll see you again
```
