

The Boogie Woogie Piggy

Glenn Miller

Take it from me:
I just found somethin to see
Oh, it s a pig, it does the Boogie, yes, Siree,
And he really gets to do it solidly

You mean he really gets to do it solidly...

This little piggie went to market*
This little piggie stayed home

But this little piggie was a boogie woogie piggie
And he boogie-woogied all the way home

This little piggie had roast beef
This little piggie had none

But this little piggie was a boogie woogie piggie
And he...

did the Lindy all the way home!

Oink, oink!

Piggly wiggly piggie

Oink, oink!

Boogie woogie woogie

Oink, oink, oink, oink!
The boogie woogie piggie wiggly oink oink...

This little piggie dug two beats
This piggie thought the waltz was divine

But this little piggie was a hip little piggie
And he...

Boogie-woogied all of the time...!

This little piggie dug two beats

This piggie thought the waltz divine

But this little piggie was a hip little piggie
And he boogie-woogied all of the time...

This little piggie was a hip little piggie
And he boogie-woogied all of the time!
