

Time

Gloomy Grim

And I saw the kings
of the earth
and their armies
of false prophets

And I saw the people
of the earth
and their armies
of false prophets

They come together
to make war
against themselves

by believing so
called gods
instead of themselves

This is The new Aeon
the age of Aquarius
Great spiritual awakening
for mankind

Your god is dead
not one god is left
Your god is dead
not one god is left
